Welcome Message

Dear Colleagues,

*It is our great pleasure to invite you to **UP NEOCON 2026**, the annual conference of UP state NNF, dedicated to advancing the science and practice of Neonatology. The theme of the conference is: "**From Survival to Thriving: Advancing Neonatal Outcome**".*

As neonatal care continues to evolve, our focus must extend beyond survival to ensuring that every newborn has the opportunity to thrive and achieve the best possible long-term outcomes. UP NEOCON 2026 will bring together eminent national experts, clinicians, researchers, academicians, and trainees to share the latest advances, evidence-based practices, and innovations in neonatal care.

The conference will feature inspiring keynote lectures, interactive panel discussions, hands-on workshops, scientific paper presentations, and opportunities for meaningful academic exchange and professional networking.

We warmly invite neonatologists, pediatricians, postgraduate students, nursing professionals, and all healthcare providers involved in newborn care to join us in this enriching scientific event. Your participation will contribute to advancing neonatal care and improving outcomes for the smallest and most vulnerable patients.

*We look forward to welcoming you to **UP NEOCON 2026** at Aligarh.*

Warm regards,

Organising Committee
